

**"Perfect"**  
by Simple Plan

Hey dad look at me  
Think back and talk to me  
Did I grow up according to  
plan?

And do you think I'm  
wasting my time doing  
things I wanna do?  
But it hurts when you  
disapprove all along

And now I try hard to make it  
I just want to make you  
proud  
I'm never gonna be good  
enough for you  
I can't pretend that  
I'm alright

And you can't change me  
'Cuz we lost it all  
Nothing lasts forever  
I'm sorry  
I can't be perfect

Now it's just too late and  
We can't go back  
I'm sorry  
I can't be perfect

I try not to think  
About the pain I feel inside  
Did you know  
you used to be my hero?

All the days you  
spent with me  
Now seem so far away  
And it feels like  
you don't care anymore

And now I try hard to make it  
I just want to make you proud  
I'm never gonna be good  
enough for you  
I can't stand another fight  
And nothing's alright

'Cuz we lost it all  
Nothing lasts forever  
I'm sorry  
I can't be perfect  
Now it's just too late and  
We can't go back  
I'm sorry  
I can't be perfect

Nothing's gonna change the  
things that you said  
Nothing's gonna make this  
right again  
Please don't turn your back  
I can't believe it's hard  
Just to talk to you  
But you don't understand

Nothing's gonna change the  
things that you said  
Nothing's gonna make this  
right again  
Please don't turn your back  
I can't believe it's hard  
Just to talk to you  
But you don't understand

'Cuz we lost it all  
Nothing lasts forever  
I'm sorry  
I can't be perfect  
Now it's just too late and  
We can't go back  
I'm sorry  
I can't be perfect

'Cuz we lost it all  
Nothing lasts forever  
I'm sorry  
I can't be perfect  
Now it's just too late and  
We can't go back  
I'm sorry  
I can't be perfect

**"Sticks And Stones"**  
**By Aly and AJ**

Sitting in my room  
Feeling sorry for myself  
I can't feel worse  
Well what else?  
I wonder what I could say

To stop the voices, taunting and  
laughing  
The way they're acting I wish  
they'd just disappear  
The joke is always on me  
It's always on me

Why don't they understand  
That we are all the same  
We all feel lost at times  
Why don't they understand  
That someone else's pain  
Is not for gain

Sticks and stones  
won't break my soul  
Get out of the way, I'm invincible  
Throw them down  
'Cause the one you hurts not around  
Not around  
It's not your place  
Honestly

In the end  
You'll be the victim  
You're the one who has to live with  
yourself  
And when you're reaching for help  
There'll be no one  
There's no one

Why don't they understand  
That we are all the same  
We all feel lost at times  
Why don't they understand  
That someone else's pain  
Is not for gain

Sticks and stones  
won't break my soul  
Get out of the way, I'm invincible  
Throw them down  
'Cause the one you hurts not around  
Not around  
It's not your place  
Honestly

I won't live in chains  
I've got something to give  
I won't play these games  
Yeah, I'd rather live  
You know I've come too far  
To be like you are

Why don't you understand  
That we are all the same  
  
Sticks and stones  
won't break my soul  
Get out of the way, I'm invincible  
Throw them down...

**"Fifteen"**  
By Taylor Swift

You take a deep breath and you  
walk through the doors  
It's the morning  
of your very first day

You say "Hi" to your friends  
you ain't seen in a while  
Try and stay out of everybody's way  
It's your freshman year and  
you're gonna be here  
For the next four years in this town

Hoping one of those senior  
boys will wink at you and say  
"You know I haven't seen you  
around, before"

'cause when you're fifteen and  
somebody tells you they love you  
You're gonna believe them  
And when you're fifteen  
Feeling like there's nothing to  
figure out

Well count to ten, take it in  
This is life before you know who  
you're gonna be  
Fifteen

You sit in class next to a  
redhead named Abigail  
And soon enough you're best friend  
Laughing at the other girls  
who think they're so cool  
We'll be out of here  
as soon as we can

And then you're on your very first date  
and he's got a car  
And you're feeling like flying  
And you're mommas waiting up  
and you think he's the one  
And you're dancing round your room  
when the night ends  
When the night ends

'cause when you're fifteen and  
somebody tells you they love you  
You're gonna believe them

When you're fifteen  
and your first kiss  
Makes your head spin round  
but

In your life you'll do things  
greater than dating the boy of the  
football team  
But I didn't know it at fifteen

When all you wanted  
was to be wanted  
Wish you could go back  
and tell yourself what you know now

Back then I swore I was gonna  
marry him someday  
But I realized some  
bigger dreams of mine

And Abigail gave everything  
she had to a boy  
Who changed his mind  
and we both cried

'cause when you're fifteen and  
somebody tells you they love you  
You're gonna believe them  
And when you're fifteen  
Don't forget to look before you fall

I've found that time can heal  
most anything  
And you just might find  
who you're supposed to be  
I didn't know who  
I was supposed to be  
... at fifteen

Your very first day  
Take a deep breath girl  
Take a deep breath as you walk  
through those doors

**"Beautiful"**  
By Christina Aguilera  
Don't look at me  
Every day is so wonderful  
And suddenly  
it's hard to breathe

Now and then  
I get so insecure  
From all the pain,  
I'm so ashamed

But, I am beautiful  
no matter what they say  
Cause, words can't  
bring me down  
I am beautiful in  
every single way

Yes, words  
can't bring me down, oh no  
So don't you  
bring me down today

To all your friends  
you're delirious  
So consumed  
in all your doom  
Tryin' hard to fill the  
emptiness, the piece is gone  
Left the puzzle undone,  
ain't that the way it is?

Cause, you are beautiful  
no matter what they say  
Words can't bring you down  
Cause, you are beautiful in  
every single way  
Yes, words can't bring you  
down, oh no  
So don't you bring me down  
today

No matter what we do  
No matter what we do  
(No matter what we say)  
No matter what we say  
When the sun is shining  
through  
Then the clouds won't stay

(And everywhere we go)  
And everywhere we go  
(The sun will always shine)  
The sun will always,  
always shine!  
(But tomorrow we might  
awake on the other side)

Cause, we are beautiful  
no matter what they say  
Yes, words won't bring us  
down  
We are beautiful in  
every single way  
Yes, words can't bring us  
down, oh no  
So don't you bring me down  
today

Don't you bring me down today  
Don't you bring me down today
